Get vial from Antioch senior center

The Chain O' Lakes Senior Services groups are participating in the vial of life program. Senior centers in Antioch, Wauconda and Round Lake furnishing any interested party with the paraphernalia needed to keep a vial of life on hand in their home.

The vial of life is kept in the refrigerator and all life-saving teams are made aware of the fact by a sticker in the home. In the vial, there is all vital information pertaining to a resident's health.

The Waukegan Loyal Order of the Moose is furnishing all the necessities for the programs. In Antioch, the senior services center is in charge of distributing the material, and the Antioch Jaycees are also helping with the distribution.

This is a free service and is for anyone to take advantage of.

April weather typical in 1980

The lowest and highest temperatures in April were recorded within six days of each other, and the highest was 22 degrees more than the mercury climbed during the month of April in 1979.

According to Tom (Robbie) Robinson, Antioch's official weather observer, the mercury hit 90 degrees on April 22 while the average high was 54.9 degrees. In 1979, the average high was 51.97, and the highest temperature recorded was 72 on April 23.

The average low for the month of April this year was 36.7 degrees, while the temperature dipped to 25 on the 16th. In 1979 the average low was 32.47 and the lowest temperature was four degrees on April 7.

Hopefully the final snow of the season has fallen, bringing the season total up to 45.2 inches with 8.3 inches falling in April. Last year, 9.4 inches fell in April upping the record-setting season total to 103.7 inches.

Kids agree, Mom is the greatest!

Representatives from the Antioch Chamber of Commerce and Industry, along with representatives from the Antioch Police force and have chosen one winner and two runners up in the Mother's Day Essay Contest.

Grade school children were asked to tell why their mother was the greatest in 25 words or less. The winner will be announced in next week's paper, and will win many prizes donated by Antioch merchants.

Prizes and merchants donated include, four plates from Pickard China; dinner for two from McDonalds; personal stationary from A&B Printing; a mother's day cake

High school board hears competency program study

At the last meeting of the Antioch High School board of education, Curriculum Director Gary Allen summarized the minimum competency program that is currently under investigation by the state board of education and explained Antioch High's position.

What the state is trying to do, according to Allen, is come up with a blanket test to evaluate the competency of student's skills within Illinois. But Antioch High builds a minimum competency test right into its courses. "We have set objectives that all the students are exposed to through courses rather than tests," Allen stated. "There are three main areas that students are supposed to be proficient in, or they haven't satisfactorily completed the course."

THE THREE AREAS that students must be able to grasp are math, language arts (reading, writing and spelling) and citizenship. Allen said that school systems that are using a test system don't really help a student learn. "The kids are given a crash course to study for the test and if they don't pass it, they can take it again," he said.

According to a recent study, improvement in the three basic areas are evident even in districts where students don't use the

minimum competency testing.

In other activity, the board approved a policy regarding alternative education. Allen held that problems arise when students that go to alternative education programs, such as those with no set structure for study, want to come back into a public school system. "There is no way to judge what credits should be accepted into our program, or how much the credits should be worth," Allen said.

THE HIGH SCHOOL must make available to students certain state-set criteria, and officials at Antioch High feel that the vocational school, work study programs and the courses available in the high school is enough to keep students from having to seek less structured forms of education. "Allowing a child to smoke in the classroom acts as a positive reinforcement toward non-conformity," stated Allen.

In other action, the board heard that the towel service fee would be increased for the 1981 school year to \$9.70 per student.

Also, emergency lighting within the building will be updated. Fixtures will be supplied by Interstate Electric, while installation was awarded to Fox Valley Fire for a total cost of \$8,207.

Antioch Parks does it again with summer fun

The Antioch Park and Recreation Dept. will be offering a variety of programs for the summer. Two programs that are not included in the summer offering have started already, but still have openings. An aerobic dance class will be held at the old rescue building at 7:30 p.m. on Mondays, while a second cardiopulmonary resuscitation class will be held for three Wednesdays beginning at 8 p.m. on Wednesday, May 7. There will not be a CPR class held during the summer, so interested people should attend Wednesday night. The class will be held at the new fire safety building.

Summer classes include, a quilting class running Mondays for six weeks starting June 9. The class is held from 7-9 p.m. at the old fire station and is for people over 18. A \$15 fee will be charged.

A FIRST AID class will be given on June 11, 18, 25 for those over 16 who have passed a CPR course. It will run from 7-9 p.m. at the fire safety building.

On Saturdays, June 14-July 26, soccer instruction for six to nine year olds will be available at Williams Park. The sessions will run from 10-11 a.m. and there will be an \$8 fee.

Tunes for tots and creative play will be held from 10 a.m. until noon on Mondays, Wednesdays and Fridays, June 16 through August 8, for three through seven year olds, at the Antioch Scout House. The program will stress fun with music, and a \$10 fee will be charged.

Also for the younger children, a story hour will be held for three to five year olds from 9-10 a.m. on Tuesdays and Thursdays beginning June 17. Also on Tuesdays and Thursdays beginning on the same date, for six to eight year olds, a recreational time will be held from 1-3 p.m. Both will be at the Scout House and a \$4 per week fee and a \$6 per week fee will be payable for the respective classes.

STARTING ON June 17 from 7-8:30 p.m. on

Tuesdays, co-ed recreation volleyball will be held at Williams Park. Anyone that is over 16 can play, and any team is invited.

A bridge class will be held from 7-9 p.m. on Wednesdays starting June 18. The class will be held at the old fire station and is for anyone over 18. A \$10 fee will be charged.

A children's cooking class will be held for youngsters seven to 11 years old for a week beginning June 16. The class will run from 10 a.m. until noon at the Scout House. A \$20 fee will be charged, and kitchen safety will be stressed.

From 1-3 p.m., Fridays from June 20 through August 8, a baton class will be available for youngsters over five. A \$16 fee will be charged, and the class will be held at Williams Park.

A pom pom clinic will be held for one week from 1-2 p.m. for one week beginning on July 7. The class is for seven through 14 year olds, will be held at Williams Park and has a fee of \$5.

On July 10, another aerobic dance class will begin from 7-7:45 p.m., Thursdays at the old fire station. The class is for those over 15, and an \$8 fee will be charged.

A CHEERLEADING clinic will be held for youngsters between the ages seven and 11 from 6-7 p.m. from July 14 through the 25. The class will be held at Williams Park and a

TELLS OF SERVICE — Bill Brook was on hand to tell of Petty's unselfish giving to Antioch community.

OTHER HONORED ATTEND — Mayor Michael Haley along with Sen. Carl Berning attend Petty's day.

Petty dedicated to youth; school to him

"There's no better therapy than work."

And he's still working today, to benefit the community and education.

William C. Petty was honored at an open house dedicating a new Antioch elementary school in his name on May 4.

The secret for a fulfilling life, according to Petty, is to start each day with something to do. "You have to get up in the morning and say, 'I want to do this today.' You have to work each day."

Petty has spent over 50 years in education, from teaching in a one-room school, to being the superintendent of Lake County Schools. He spent 40 years in that administrative position, the longest of anyone in the state.

HE ORGANIZED the election to establish the College of Lake County, and he also organized the Special Education Joint Agreement District of Lake County, today known as SEDOL. He has served on many boards, and filled in as an interim superintendent in many high schools.

Throughout his many years in serving education, Petty has certainly seen some changes. "There isn't the will to serve anymore, and kids really want to be entertained more than learn today," he said.

"In my day, not many went on to higher education."

There is no shortcut to education," he added.

"But the libraries have grown," he said, "There are many with over a million volumes. Many years ago just to have one book was sacred."

PETTY RETIRED in August of 1971, and since then has had the opportunity to travel all over the world. He's also had a chance to visit with his three sons and grandchildren. He is also an avid gardener.

"There are still many nights that he is at meetings and different functions," Lillian Petty said.

"She keeps me busy around the house," Petty laughed.

Petty, who often is the master of ceremonies at community functions, was honored by friends and comrades at the dedication of the school named for him. And the 80 year-old educator deserved every minute of the tribute paid to him.

M & S
INSURANCE INFORMATION

What does an insurance examiner do?
Periodically, the State Insurance Department conducts official audits and examinations of the business transactions of insurance companies doing business in the state. The insurance examiner is the official representative of the insurance department during these audits and examinations. He makes certain the investigations are conducted correctly and following the department's rules and regulations. The insurance examiner also reports to the department the findings of the examination.

Second tax allocation to be distributed

Local governments and school districts will be receiving the second quarterly corporate personal property replacement tax allocation before the end of April, according to James B. Zagel, director of the Illinois Department of Revenue.

Zagel said the revenue department has authorized the comptroller's office to issue the checks totaling \$155.5 million to the 6,715 local governments.

"This \$155.5 million added to the \$116.4 million distributed in January means that local governments will have received more than half of the expected \$520 million to be distributed during the first year of the new replacement taxes," Zagel said. "And," he added, "they've received this money much earlier than they ever would have under the old corporate personal property tax system."

Because they have the use of this money up to six months earlier than ever before,

Zagel said, some local governments will be able to either invest it or to avoid extra costs of borrowing money that might have been necessary in other years to tide them over until property taxes were collected.

The former corporate personal property tax had provided approximately 10 percent of the funds for local governments and school districts, the revenue department estimated. The new replacement taxes are to substitute for monies lost when the corporate personal property tax was abolished by the new State Constitution. In August, 1979, the Illinois General Assembly passed a law authorizing the replacement taxes. The Illinois Supreme Court upheld the constitutionality of these taxes in November, 1979.

The replacement taxes are: a 2.85 percent income tax on corporations (reduces to 2.5 percent on January 1,

1981); a 1.5 percent income tax on partnerships, trusts, and sub-chapter S corporations; and a 0.8 percent tax on the invested capital of utilities.

Under the new system, the replacement taxes are collected by the state and money is distributed quarterly to local governments.

Women of Moose get ready for hobo dance

by JUDY PAGE

The nominations for the 1980-81 board of officers were read to the Women of the Moose members who attended the May 1 meeting. The nominees are: for Senior Regent, Louise Gutowski; Junior Regent, Marge Hartman and Marilyn Vynalek; Chaplain, Rose Robinson and Terry Smallwood; Recorder, Judy Page; and Treasurer, Betty Dahlke and Helen Lovell. Election for new officers will begin at 7:30 p.m., May 15, before the chapter meeting.

An enrollment of three new members was also held. Thirty-nine members welcomed, Sally Ruhl, Helga Boehm and Janet Hirsch.

After balloting on new candidates and the reading of chapter business, a letter from our Moosehaven resident, Harriet Grewe was read by the Recorder Norma Lowe. Currently the College of Regents committee is running a project to bring Mrs. Grewe back to Antioch for a visit during the month of July. She will be at both the July 10 and July 17 meetings to greet old friends.

Senior Regent Mary Galster conducted the May birthday march. Jerri Polson, walking for pianist Gladys Schroeder; Mary Brylinke, new member, Sally Ruhl; June Ballenger and Jeannie Hartmann were presented with small gifts from the chapter. Mary Brylinke was again conducted to the altar where she received a baby spoon for her new little girl born last month.

Besides voting and an enrollment at next meeting May 15, the friendship committee will welcome new members who earned their degree last year. The degree was conferred in Bloomington on May 4 and the special ring ceremony will take place during next meeting. Tickets for the hobo convention are still available from the friendship chairman, Louise Imburgia or members of the committee. The May 31 Hobo dinner-dance will start with 6:30 p.m. dinner serving hours and dancing to the music of the Jolly Knights starting at 9 p.m.

Easter Seal to host softball marathon

The Easter Seal Society of Lake County will be hosting a softball marathon on May 10-11 from 9 a.m. on Saturday to 9 p.m. Sunday at Foss Park in North Chicago.

Andro Pucin Distributing Co. of Waukegan, distributors of Heileman's Old Style, are sponsoring the event.

Many trophies and prizes will be awarded in a large variety of categories. T-shirts will be given to all members of a team bringing in \$200 in pledges. Each game will be two hours long and a minimum of \$100 in pledges is required to enter the marathon.

More information about the event is available at all

park districts in the area, most sporting goods stores and all sales outlets of Heileman's Old Style. You may also call the Easter Seal Society at 367-1750 for information.

Social slated

Milt Thorpe will call a "sundae social" badge dance for the Paddock Lake Squares. Dancers are invited to the Paddock-Hooker Lake Assn. Clubhouse, 7024 250th Ave., Paddock Lake, and square up from 8:10:30 p.m. on Thursday, May 8.

Church plans spaghetti

St. Ignatius Episcopal Church, 983 Main St., will hold its fourth annual spaghetti dinner and bake sale from noon until 4 p.m. on May 18. All you can eat of spaghetti, meatballs, coleslaw and beverage will be offered. Tickets will be available at the door.

Ground care seminar slated at for May 12

A seminar will be held May 12 from 7-10 p.m. in the Orange Lecture Hall at the College of Lake County on Grounds Maintenance.

College of Lake County and the Cooperative Extension Service are co-sponsoring this seminar. The program is designed for commercial ground maintenance personnel. The program will include

discussions of turf care, shrub care, safety, equipment maintenance and personal appearance and conduct.

A registration fee of two dollars is required. Pre-registration and detailed information is available from the Cooperative Extension Office, Rte. 45, Grayslake, or call 223-8627.

We Never Close.

"Serving the Lakes Region Since 1894"

A FULL
SERVICE
BANK

Along the way with ANNIE MAE

Sure not feeling too well this week, so my news will be brief and to the point.

A meeting that every civic-minded person should attend this week include the Lake County Planning Commission meeting held at 8 p.m., Tuesday, May 13. The county is trying to come up with a comprehensive land use plan and is seeking input from area residents. The meeting, which is the third of many, will be held at the township office.

Don't forget to take in the play at the high school and the Antioch Upper Grade School concert coming up later in May.

Also, all you runners should sign up for the roadrace to be held June 1, sponsored by the parks and rec dept. There's many nifty summer programs that will keep everyone busy that can be signed up for too.

I hear that there are some fun plans for the fourth of July in the works, so keep watching for those.

Shephard hazards guess on work

Alliance Contractors, Inc., nabbed the Village of Antioch contract for Orchard St.-Hillside Ave. repairs with a low bid of \$303,915, the board announced at the May 5 meeting.

Supt. of Public Works Walter Shephard said an "educated guess" as to when the work will begin is the first or second week of June. About three weeks are required to get the contract signed and approved by the Illinois Dept. of Transportation, then another seven to 10 days are spent straightening out details, he said.

SHEPARD indicated that traffic problems incurred during the current renovation work on Main St. are mild compared to what's in store when the Orchard St. repairs get underway. "But that's the price of progress," Trustee Vern Barnstable said.

The 120 working day deadline which Shephard hoped to meet with the Main St. work may very well be realized, he said after the meeting. "We've had a lot of rainy days, but things are coming along well," he said. He said the worst part of the work — the curbing — is over, and with it, most of the disruption of traffic.

In another public works action at the meeting, Trustee Barnstable moved that the village reject all bids received for a jeep and keep the vehicle instead. "The jeep is beneficial to the village for use by the public works department," Mayor Michael Haley agreed. Bids for the jeep up for sale through the fire protection district were not dropped.

TRUSTEE MABEL Lou Weber announced a village meeting with Lakes Cable TV Co. at 8:30 p.m., Tuesday, May 13.

Mrs. Weber and Trustee William Seeman viewed a presentation by four cable companies several weeks ago, and later met with Lake County CATV Associates. CATV already has been chosen by Lindenhurst, Waukegan, North Chicago and Park City.

Mrs. Weber said invitations to the May 13 presentation have been extended to school representatives and the Village of Lake Villa. She said the Village of Fox Lake also has expressed interest in attending. The Antioch trustees previously have expressed interest in coordinating cable television service through cooperation among the schools and

Birthday greetings go out this week to Sue Haley. Many more to you, Sue, just missed mother's day!

Guess there was a whole bunch of fun at the fire safety building last Saturday. Was Shirley and Bernie Gutowski celebrated their 25th wedding anniversary and it was a surprise. Guess her kids went all out getting the party together, and even put up a big old sheet in front of their house with greetings on it. Happy anniversary there you two.

The Chamber had a hard time judging all the entries in the mother's day contest. Dixie tells me there was an overwhelming response from both the kids and the merchants. She also told me that the industrial development committee will be meeting at 12:30 p.m. May 15. They're still busy working on getting more industry in the Antioch area.

Don't forget to contact the Antioch Jaycettes to Bowl in their benefit for autism to be held on May 18. That's a Sunday, and the fun will last all day at Antioch Bowl.

NOT SLEEPING — Antioch Public Works Dept. employee, Don McGrain isn't being lazy as he waits at bottom of community pool for water system to clean out. Work at both pool and park is progressing as community spruces up for summer fun. — Photo by Lisa Wilkie.

GETS KEYS — Antioch Fire Chief Tod Maplethorpe gets keys to new economy car from John Teresi of John Teresi Chevy-Olds in Antioch. Mayor Michael Haley enjoys transaction on sunny May 2.

PETTY AND FRIEND — Kelley McMahan was a guest at dedication of new school.

Engagements

HESTER-ENGELKING

Mr. and Mrs. William J. Weber of Lake Villa announce the engagement of their daughter, Linda Hester to Steven Engelking, son of Mr. and Mrs. Howard Engelking, Elgin.

The ceremony will be performed by Rev. Herbert Grulke, of Lake Villa United Methodist Church, Lake Villa, on May 24.

The bride-to-be is a 1975 graduate of Antioch Community High School and a 1979 graduate of the University of Wisconsin-Whitewater, and has a Bachelor of Business Administration degree in Secretarial Administration. She is employed as a secretary for American Hospital Supply Corp., McGaw Park, Ill.

The groom-to-be is a 1974 graduate of Elgin Larkin High School and a 1979 graduate of the University of Wisconsin-Whitewater and has a Bachelor of Business Administration in marketing. He is employed as a sales representative for S. C. Johnson & Sons, Inc., in Louisville, Ky.

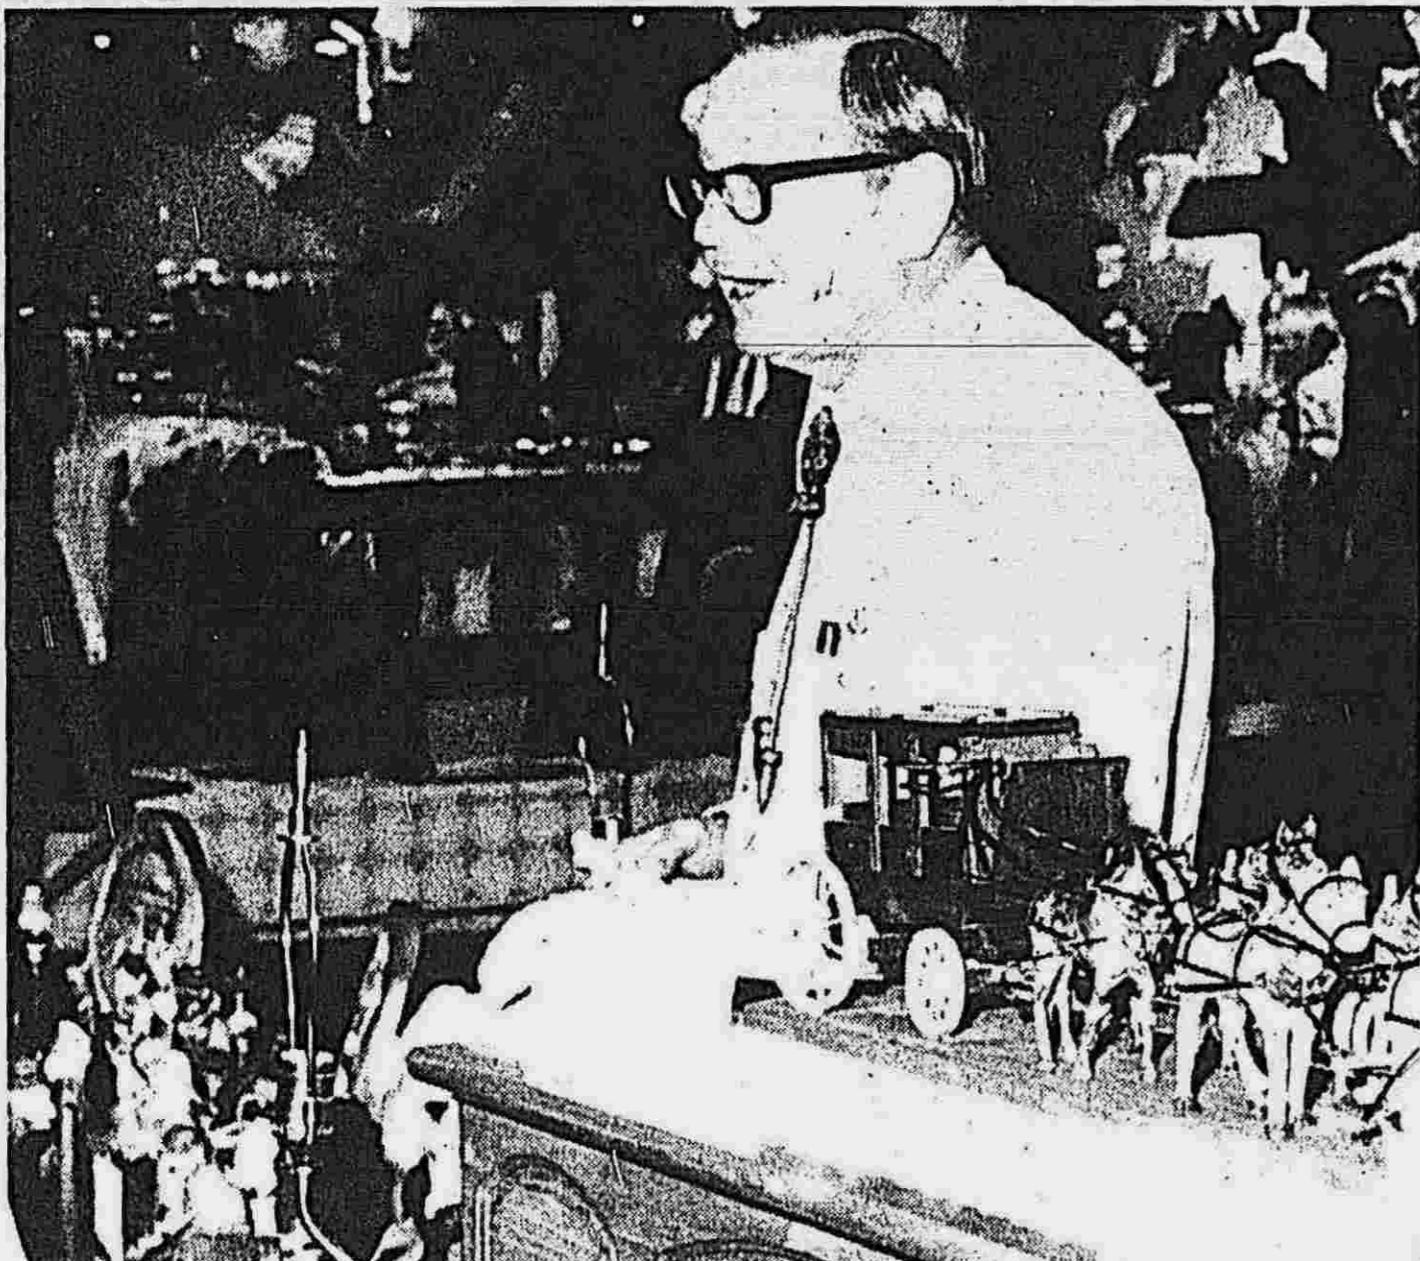

The couple plans to settle in Louisville, Ky.

BEESE-SLIKER

Mr. and Mrs. Earl Beese of Antioch announce the engagement of their daughter, Jennifer Lynn, to Thomas Stephen Sliker, son of Mrs. Elizabeth Sliker, of Stirling, N.J. A June 28 wedding is planned at the United Methodist Church, Antioch. After their marriage they will reside in Lake Bluff.

GENEALOGY

The Lake County Genealogical Society will meet at 8 p.m. on Tuesday, May 13, in the community room at Cook Memorial Library, 413 N. Milwaukee Ave., Libertyville. Guest speaker will be Mrs. Lucile Robinson. Anyone interested in researching family history will be most welcome.

NOT THE ONLY ONE — Al Dittman, member of Chain O' Lakes woodchippers wasn't only one to have his carvings on display at annual woodchippers show held at Lakehurst shopping Center last weekend. All types of different works were dazzling to eye, and prizes were awarded in different categories.

HI MOM — Members of Antioch Camp Crayola, day care group sponsored by Antioch Parks and Rec. include back row from left, Maureen Pankauskas, Jenny Lienhardt, Jessica Haley, Jenny Santiemo, Maggie Robert, Tara Ryan, Jeff Fisher, Carrie Hiller, Mark Simbrowsky. Second row from left, Maryanne Stack,

Christine Bankdaskas, Danny Yanca, Jason Sheehan, Tom Kelly, Jim Calabrese. Third row from left, Matt Fritz, Tamara Allen, Jayme Lienhardt, Justin Brice, Megann Haley. Front from left, Crisini Tomaschtik, Brann Farris, Johnny Wais.

Band parents enjoy annual spring dinner

Nearly 150 Antioch Grade School band parents enjoyed the annual band banquet, this year held at LaSalette Center in Twin Lakes, Wis. Guests of the Band Parents Assn. were senior band members as well as Dr. and Mrs. Donald and Mr. and Mrs. William Herbst.

Antioch Upper Grade band director Larry Wagner presented graduating eighth grade band members with pins at the April 27 dinner.

On April 29, both the junior and senior bands performed at the high school bandorama that drew a large crowd.

Upcoming events for the

upper grade school band include the Wilmot Band Contest on May 13 and a spring concert held at 7:30 p.m., May 21 at the Upper Grade School. The senior band will also be marching in the Memorial Day parade on May 26.

The Antioch Grade School Band Parents Assn. is open to all parents of band members. The group meets at 7:30 p.m. on the first Monday of each month at the Upper Grade School.

Names in the NEWS

Two graduates of Antioch High School will be candidates for degrees at the spring commencement of the Milwaukee School of Engineering May 10. Ronald O. Gossman, son of Mr. and Mrs. Robert Gossman, Antioch, the Bachelor of Science degree in Architectural and Building Construction Engineering Technology; and

Tracy B. Sodman, son of Mr. and Mrs. Albert Sodman, Antioch, the Associate in Applied Science degree in Computer Engineering Technology.

Dr. Robert R. Spitzer,

MSOE president, awarded degrees to 294 candidates at the spring commencement in Uihlein Hall, Performing Arts Center Saturday, May 10 at 9:30 a.m.

BLOOD DRIVE

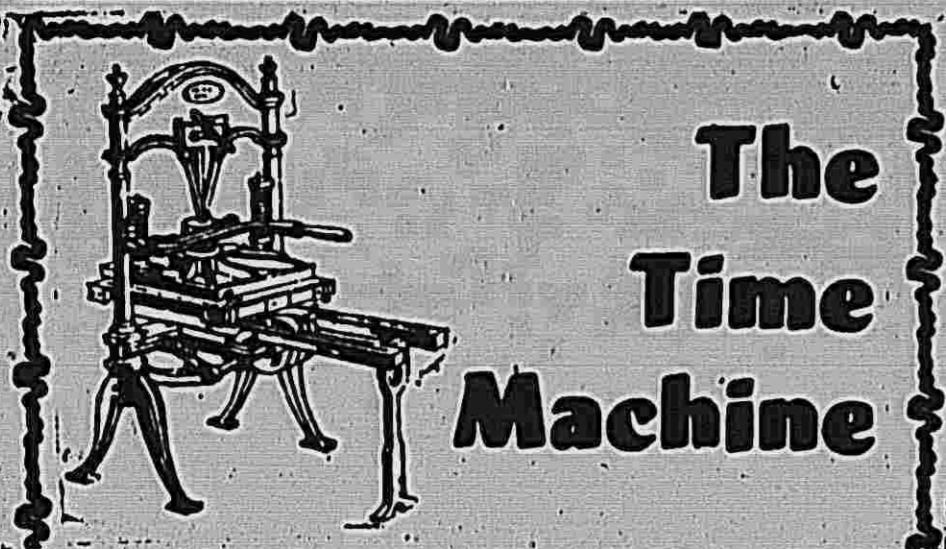

The eighth annual Red Cross blood drive will be held Thursday, May 8, in the north gym of Antioch High School. Antioch High School faculty and students are eligible to give blood. Students must be at least 17.

The Time Machine

50 YEARS AGO: MAY 8, 1930

Sweeping out of the west with a fury that approached tornadic force a violent windstorm struck Antioch and the surrounding communities Thursday night and wrecked houses and barns by the score and uprooted and destroyed hundreds of trees. The full force of the storm, preceded and accompanied by a downpour of rain and a spectacular electrical display, came between 11 and 11:30 p.m. and continued for only a few minutes. During that time injuries were inflicted that resulted in the death of one man, he was crushed beneath his falling house, and another person died of excessive shock and fright. The brick smokestack at Pollock's Greenhouses in Antioch was hurled to the ground and crashed down upon the garage adjacent, burying a truck and an auto beneath its debris.

Mrs. Percy Chinn was re-elected president of the Antioch PTA, Fred Hawkins was named first vice-president, Miss Elizabeth Touton, secretary and Mrs. George Bartlett is treasurer.

Damage estimated at \$10,000 was sustained when the 12 room residence on the John A. Thain estate, was burned to the ground at three o'clock Sunday morning.

W. C. Petty, principal, has been giving a series of educational measurements and standard tests during the past week. Marjorie Crowley was found to be the best speller in the grade school. Gloria Pierce spelled every word correctly in the second test and Ray King was found to be the champion speller in the seventh grade. Elizabeth Corrin was found to be the champion in reading ability. Bernice Jensen scored highest in American history. Cortland Abele was high in geography. Walter Simonsen led his class in the English test with Virginia Tidmarsh highest in the seventh grade.

Mrs. W. J. Van Duzer suffered a severe nervous shock Monday when she was injured by a fall. She managed to get to the telephone and call Dr. Williams. Help was summoned and she was placed in bed where she is slowly improving.

30 YEARS AGO: MAY, 1950

The proposed enlargement of the Antioch High School is based on conservative figures which show that the district may have to provide for 760 students by 1963.

WLS radio station stars are headlining the two entirely different programs the Lake Villa Community Men's Club will present for their "Sixth Anniversary Follies." On Friday night Red Blanchard will act as master of ceremonies for a two-hour variety show which will include the Merrow sisters, Hal Montant, and Edward Barron. Another two-hour show Saturday night will headline Salty Holmes and Mattie, Louis Topps, and Tom Rainey.

Mr. and Mrs. Carl Gibson have sold the Antioch Recreation to Mr. and Mrs. Joseph Rederer of Chicago.

The army messed up village affairs this week. L. D. Powles, clerk of the board was suddenly called to Oklahoma, to serve in the U.S. army reserve corps. Mrs. Martha Hunter, treasurer, was also out of town with her daughter, June, in a tour of assemblies of the Order of Rainbow. On the basis of this situation the meeting of the board was postponed to next Monday evening.

For months Kenosha Police had been haranguing the public about leaving ignition keys in parked cars. While two patrolmen were having a snack at a diner, some scoundrel made off with their squad car. The patrolmen sheepishly admitted they had left the ignition key in the lock. Detectives glowered suspiciously at local newspaper reporters who vigorously denied any connection with the incident.

10 YEARS AGO: MAY 7, 1970

Peter Weber of Antioch, won first place in a math contest sponsored by the Chicago Archdiocesan Teachers Assn. Peter competed on two consecutive Saturdays and placed first in both contests. He is the son of Robert and Joanne Weber and is a first grade student at St. Peters.

Kay Loftus and Isabella Watson will be interviewed over WKRS at 1 p.m. Wednesday, May 13 in regard to the newly organized Amateur Riders Club of Lake County. Fran Molenhauer and Irving Cook, both of Antioch, are members of the club which now numbers 23.

Four persons who had been missing since 3 a.m. were found safe Monday morning aground on an island in Grass Lake. The four had borrowed a boat to see the huge swamp fire at the north end of Grass Lake. Except for being hungry and cold the four did not require medical aid. They were taken off the island by the sheriff's boat patrol after they were spotted by plane.

DONATIONS

Donations are being accepted on behalf of the Phillip Cirone family at the new accounts department at the First National Bank of Antioch. Cirone, unable to work since last July because of a terminal illness, has incurred medical expenses beyond his ability to pay. He, his wife and two teenage children reside on Windsor Dr. in Antioch and attend St. Peters Church and the Abbey in Antioch.

Obituaries

Reuben O. Cederberg

Private funeral services were held for Reuben O. Cederberg, 86, of Bayview Dr., Antioch, who died April 27 at Victory Memorial Hospital, Waukegan.

Mr. Cederberg had lived in Antioch for the past 23 years. He was office manager for the Chicago Motor Club.

Survivors are one daughter, Mrs. Dan (Elsie) MacHanes of Antioch; one son, Howard of California; three grandchildren; and two sisters, Gene Bell of McHenry and Ruth Cederberg of Chicago.

Interment was private. Memorials may be made in his name to the Antioch Rescue Squad.

Thomas W. Atwood

Funeral services for Thomas W. Atwood, 45, of Southfield, Mich., formerly of Channel Lake, were held May 3 at Strang Funeral Home, Antioch.

Mr. Atwood died April 30 at his home. He had lived in Antioch until moving to the Detroit area in 1959. He was the first Eagle Scout of Boy Scout Troop 86 in Channel Lake and was later assistant Scoutmaster. He had been a systems analyst for Gulf & Western Manufacturing.

Survivors are two daughters, Mrs. James (Elaine) Maggio of Birmingham, Mich. and Sandra Atwood of Oak Park; two sons, David and Lawrence, both of Oak Park; four brothers, Harold of Benton Harbor, Mich., James of Waukegan, Howard of Beloit, Wis. and Richard of Gurnee; one sister, Mrs. George (Mary) Boyd of Antioch; and one grandson. He was preceded in death by two brothers, Lawrence and Ray.

Interment was in Hillside Cemetery, Antioch.

Lloyd J. Smith

Funeral services for Lloyd J. Smith, 65, of Salem, were held May 3 at the Strang Funeral Home, Antioch.

Mr. Smith died May 1 at St. Catherine's Hospital Kenosha. He farmed in Illinois and Wisconsin for many years and moved to Kenosha County in 1960. He farmed there for two years and then worked for J.I. Case Co. in Racine for 16 years retiring in 1979. He served as a municipal judge in Paddock

Helen Nelson

Funeral Mass for Helen Mary Nelson (nee Pedersen), 67, of 1049 Victoria St., Antioch, was said May 3 at St. Peter Church, Antioch.

Mrs. Nelson died May 3 at Victory Memorial Hospital. She was born in Lake Villa and was a member of St. Peter Church, a member of the Antioch Women's Club, St. Peter's Church Women's Club, the VFW Auxiliary in Lake Villa, the Antioch Mental Health Assn. and the Women's Bridge Club of Antioch.

Survivors are her husband, Myrus; two daughters, Mrs. Charles (Shirley) Erbach of Gurnee and Mrs. Robert (Leone) Milnichuk of Bensonville; one son, Alvin of Higden, Ark.; five grandchildren; two brothers, Alfred Pedersen and Robert Pedersen, both of Antioch; and five sisters, Mrs. Kenneth (Rose) McCord of Lake Villa, Mrs. Grace Johnson of Florida, Mrs. Bruce (Lena) Dalgaard of Antioch, Mrs. William (Edna) Dalgaard Barr of Antioch and Mrs. Thomas (Alyce) Dunkin of Deerfield.

Interment was in Hickory Union Cemetery, Antioch.

LOTS

It takes roughly 20 billion gallons of fuel each year to keep the trucking industry moving. About half that amount is gasoline, the other half is diesel fuel.

414 LAKE STREET, ANTIQUE

ENJOY PROGRAM — Members of Antioch Grade School board, Sid Parker, left and Jimmy Quedenfeld, were on hand at Antioch High School April 30, for annual dinner for schools feeding into system. Guest speaker L.D. Vuillemot, Supt. of Special Education District of Lake County (SEDOL), answered questions about special education problems in Lake County. — Photo by Lisa Wilkie.

Antioch area boards hear SEDOL expert

The annual dinner and program hosted by the Antioch High School board of education was attended by over 50 representatives from schools feeding into the district 117. After a 7 p.m. dinner, Special Education District of Lake County (SEDOL) Supt. Larry D. Vuillemot spoke on current problems in special education programs, and also made some predictions as to what the future holds for special education districts such as SEDOL.

Vuillemot pointed out that Illinois is one of the most advanced states in the special education field, and that Lake County has the largest program. "SEDOL is celebrating 20 years of operation," said the superintendent of just as long.

THE LARGEST problem facing many special education districts today is parent intervention. Vuillemot said that decisions concerning the placement of children needing special

care are made by the school boards. "Board members are responsible to see where each child is placed. There are parents suing for money as a result of their (the parent's) costs in looking for placement. It's turning out that school boards are up against parents," he said.

He also pointed out that there is an increasing number of youth that are emotionally disturbed, "but the system is growing with places such as Allendale and Applewood."

TAX DOLLARS are another problem that organizations such as SEDOL face. Only \$1.64 per handicapped student is allocated by the federal government. "Then there is the problem of getting the funds. It takes a lot of involvement on the local level."

SEDOL is not only concerned with the handicapped student and the emotionally disturbed, but also with the

gifted student, another aspect that needs much involvement on the local level, according to Vuillemot. "It is a law that each student must have the appropriate learning environment, but gifted people need to be administered to also."

Both Antioch school districts use the SEDOL service and both superintendents Warren Polley and Don Skidmore are actively involved in the organization.

SORORITY PRESIDENT

New officers for the 1980-81 school year have been elected in Tau Delta Gamma sorority at Luther College. Tau Delta Gamma is celebrating its 25th anniversary this year and includes 68 women students. The society sponsors social activities, including benefit dances and parties, and helps serve banquets for the college and Decorah community. New officers for 1980-81 include as president Jo Vasek, junior, Antioch.

Chinese art to be displayed

An exposition from the People's Republic of China appears at the Lakehurst Shopping Center, Waukegan, Wednesday, May 14 through Sunday, May 18.

A tour guide explains the original works of art including paintings, toys, figurines, stamps, coins, silkwork and other reflections of the culture of the Orient.

Chinese painting, with its eminent and continuous tradition is an important part of that country's culture, reflecting Chinese philosophy, literature, calligraphy and other arts.

WEEK

We set aside the week of May 11-17 as National Transportation Week to pause and reflect on what transportation means to each of us as individuals and to our nation as a whole. Transportation is essential to our life and to our standard of living.

Cotillion tickets ready

Tickets are now available for the Fifteenth Annual Mental Health Cotillion. Tickets are available from members and at both the State Bank of Antioch and Antioch First.

The cotillion will be held May 31 at the Abbey on Lake Geneva. Cocktails will be held outside, followed by a prime rib dinner and dancing to the music of the Scotch Lads.

As in past years, the retarded children and young adults of Lake County will benefit from this annual affair.

Lost scene to be played by Antioch High drama

"The Importance of Being Ernest" by Oscar Wilde presented by the ACHS drama Dept. on May 8, 9, 10 and 11 is an historical event of great importance. With many thanks to Aileen Biel from Antioch a "lost" scene from the original play will be presented for only the second time to her knowledge!

"The Importance of Being Ernest" was first written as a four-act play, but when George Alexander accepted it for performance at St. James Theatre in London, he thought it was too long and persuaded Oscar Wilde to condense act three and four into one act and to make it into a three-act play. In the original play there was an additional character named Gribbsy. He was dropped from the St. James' version but appeared in the "lost scene."

The typescript of the original four-act version with the corrections in the author's handwriting was deposited in the British Museum, with other Wilde manuscripts. The scene was found and performed for the first time by the BBC in its home service on October 27, 1954.

The first performance of it on any stage was given by the Wanstead Players in January, 1955. This is the theatre group that Aileen Biel was active with in England. As far as she knows, ACHS is the only

other theatre group to have the script for the lost scene which she gave to director Ken Smouse.

The talented cast is perfecting their English accents and English mannerisms because the entire production is very precise, very cool, and "veddy veddy" British — also extremely funny. Director Ken Smouse is very pleased with the diligence and discipline displayed by the cast in conquering the script.

Four performances are being given to allow each cast two performances — most major roles are double cast. At 8 p.m. on Thursday and Saturday evenings May 8 and 10, the cast will be Jen-

nifer Biel as Lady Bracknell, Ray Burnett, Anthony Starke, Dino Braglia, Denise Horton, Stacy Slazes, Susan Butler, Ken Nieze, Chuck Duha and David Svoboda.

At 8 p.m. on Friday, May 9 and at 2 p.m., Sunday, May 11 the cast is Keith Boehm as Lady Bracknell, Ray Burnett, Anthony Starke, Edward Wells, Jennifer Czapiewski, Stacy Slazes, Jeannie Lindgren, Ken Nieze, Dan Ropa and David Svoboda.

Tickets will be sold at the door, and are available through the students, and are \$2.50 for adults and \$1.25 for students. Remember — Sunday, May 11 is a matinee performed at 2 p.m.

UN secretary Nicol to appear at Barat

Dr. Davidson Nicol, Under Secretary-General of the United Nations and executive director of the UN Institute for Training and Research (UNITAR), will give the commencement address at Barat College at 11 a.m. on Sunday, May 18 in Lake Forest.

He will speak on "women in international life."

A person of diverse accomplishments, Dr. Nicol is a diplomat, educator, scientist and author. He was born in Sierra Leone, Africa in 1924 and was educated in that country and Nigeria. He studied at Cambridge University in England and holds both the Ph.D. and the M.D. degrees from that University.

In 1968, he was appointed high commissioner of Sierra Leone to the Court of St. James and concurrently Ambassador to the Kingdoms of Sweden, Denmark and Norway.

During Angola's critical political conflict in 1976, Dr. Nicol served as chairman of the UN Mission to that nation, helping to raise funds to aid over a million refugees.

Prior to assuming these positions, Dr. Nicol was president of the University of Sierra Leone for eight years, serving also on various international commissions and representing his country as a delegate to UNESCO and other international conferences.

Dr. Nicol will receive an honorary doctor of humane letters degree, and his wife, Dr. Marjorie Nicol will receive honorary doctor of science degree.

Mrs. Nicol is also a UN Official, serving as Programme Officer of the United Nations Fund for population activities and was the Sierra Leone Delegate to the United Nations 29th general assembly session in 1969.

Names in the NEWS

Pvt. Thomas H. Weber, recently was assigned as a military policeman with the 572nd Military Police Company at Fort Ritchie, Md.

Weber, a 1979 graduate of Grant Community High School, Fox Lake.

His parents, Mr. and Mrs. Frank Weber, live at 104 Chris Larkin, Ingleside.

Navy Fireman Kurt J. Budovec, son of Robert F. and Joan H. Budovec of Antioch, has completed recruit training at the Naval Training Center, San Diego.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

Concert Set by Upper

Public is invited to the Antioch Upper Grade's Spring Band Concert at 7:30 p.m. on Wednesday, May 21. The Upper Grade's Junior and Senior Bands will be presenting a variety of music.

Plan to mark this evening on your calendar to hear an hour of entertaining and enjoyable band music ranging from the Junior Bands' Rick Turco and Ken Mazzu playing the Cornet Solo "Birth Of The Blues" with band accompaniment to the Senior Band performing selections from the musical "Annie."

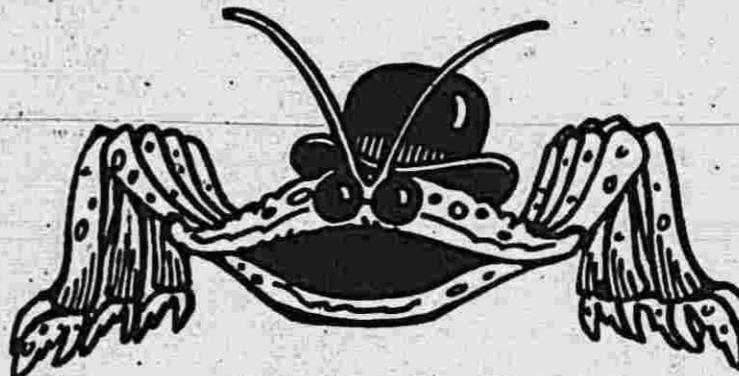

Also featured will be the soundtrack from the musical "Grease," a selection featuring the trumpet section and trap set drums called "Soul Trumpets," plus many more songs. The concert will be held at the Upper Grade School.

SELECTED

Skokie Star Willow, a young bull bred by Elmwood Farms, Inc. of Antioch, has been chosen to enter Select Sires' Program for Genetic Advancement (PGA) sire sampling procedures. Based on his outstanding pedigree, this bull calf has been selected as one of only 100 Holstein bulls from throughout the United States to enter the program in 1980.

Fun days, sun days parks plan for summer

Several important family fun days are slated during the summer months and will be sponsored by the Antioch Parks and Recreation Dept.

A bike check is slated for June 24 at the old rescue building, and the department is working on music in the park, the first date to be announced for sometime this month.

The annual family night will be held on June 26, and will feature such fun events as an egg throwing contest and many other relays and games. The evening will take place at Williams park starting with dinner.

THE FOURTH OF July will be slated as a day to stay in Antioch as another picnic will be held, and many fun events will take place. According to Dee Lang, park and rec coordinator, "We want to have an old fashioned day. We will host a pie baking contest, and

also many games."

To top off the day, a Miss Antioch contest will be held, the queen to represent Antioch in the Lake County Fair contest. The winner could possibly represent Lake County at the state fair in Springfield. This has no connection with Miss America.

ENTRANTS WILL be judged on beauty, poise, charm and intelligence. They must be 16 before July 4 and 22 before Jan. 1, 1981. The women must be single with no children, and must have no modeling experience.

The contestant must live in the 395 telephone prefix, and an essay must be filled out on the topic, what Antioch can do for me. There will be a know talent contest.

More information can be obtained from parks and rec.

Chamber merchants

Continued from Page 1

from Roland's Bakery; a spin trim with cord from Ted's Stateline; a gift from Park Avenue Gallery; .

ALSO DONATED is a \$10 savings account from Antioch Savings & Loan; a plant pole from Quaker Industries; jewelry from Hahn's Jewelry; two theatre tickets for Marriot Lincolnshire from the Lake County Market Journal; grease and oil job from the Texaco; \$50 savings bond from Dan Dugenske; a pencil portrait from Main Secretarial;

a flower arrangement from Lasco's; and cleaning from Haley Brothers.

Stores giving gift certificates include Ben Franklin, the Old Attic, Antioch Drugs, the Globe, BJ's, Johnson Jewelers, Erickson's Sewing Center, 4 Squires, and the Shoe Box.

Arrangements will be made through the Chamber for the distribution of the prizes, and they must be picked up within six months.

Over 200 entries were submitted, and according to the judges it was a tough contest.

NEW SITE — New executive vice president at Antioch Savings & Loan Mark McKinney, right, and new assistant vice president, Laddie Korecek, left, take time from daily routine surveying construction at new Harbor Ridge facility. New facility target finishing date is mid-summer. Two were promoted after resignation of president Tom Kelly. — Photo by Lisa Wilkie.

Tennis win at ACHS

Antioch High School's tennis team defeated Warren 4-1 in a Northwest Suburban Conference match at Antioch.

The Sequoits swept singles action with Dan Rezin, Stu Short and Frank Skradski getting the individual wins.

In doubles action, Antioch's Ken Drinkwine and Gary Manuel teamed up to win at number one, while Warren's Jeff Paulson and Dave Hampton won at number two.

CHANGED
The May meeting of the Antioch Plan Commission has been changed from May 1, to May 8, 1980.

Bank ahead of game

The Antioch Savings & Loan Assn. has again been listed as one of Illinois high performance savings and loans. The Antioch institution has been one of the state's 50 most profitable savings and loans over the past four years, reaching number four in 1978. The association reported a return on average assets that was twice that of the industry standard this year.

Mark T. McKinney, executive vice president, credits the association's success to a hard working staff and a solid lending environment. McKinney also stated that an association's profitability has a direct effect on the security of customer's savings account.

The association will soon open its branch office in Harbor Ridge, and is planning another in Lake Villa within the next two years.

CONSTRUCTION WORKERS — Seniors Bob Schneider, left, and Steve Kioszak stand behind Kioszak's round model constructed in Antioch High School's architectural drafting class. Schneider constructed an underground house, while many other types of houses were constructed. Students must prepare blueprints for all aspects of the house design.

CLARENCE AND DOLLY SPIERING

Spierings donate

Each year, the American Association of Retired Persons, (AARP) Chapter 2229 of Leisure Village has a benefit dance for the Fox Lake Rescue Squad — proceeds to buy new equipment for the ambulances. At the dance this year held on Saturday, April 19, a check for \$1,842 was presented to Earl (Corky) Dalziel, who has served as Fox Lake Fire Chief for 25 years.

This amount, largest ever, was due in part to a generous donation of \$500 given by Clarence and Dolly Spiering, former residents of Antioch, who now live in Leisure Village. In 1953, Clarence was badly injured in a tractor accident and his life was saved by the prompt response of the Antioch Rescue Squad; and again years later, when he had need of them, they responded within minutes.

Dr. Cronin to keynote luncheon

The Lake County curriculum resource council and William L. Thompson, regional superintendent of schools have arranged for Dr. Joseph Cronin, Supt. of Illinois State Board of Education, to be the keynote speaker at their luncheon meeting May 15, at the Holiday Inn Illinois Beach Resort. He will discuss the status of minimal competency testing in Illinois, reorganizational of regional offices and current legislation.

Anyone interested in receiving more information regarding the meeting should contact the office of the regional superintendent of schools, 689-6313.

Young architects build at ACHS

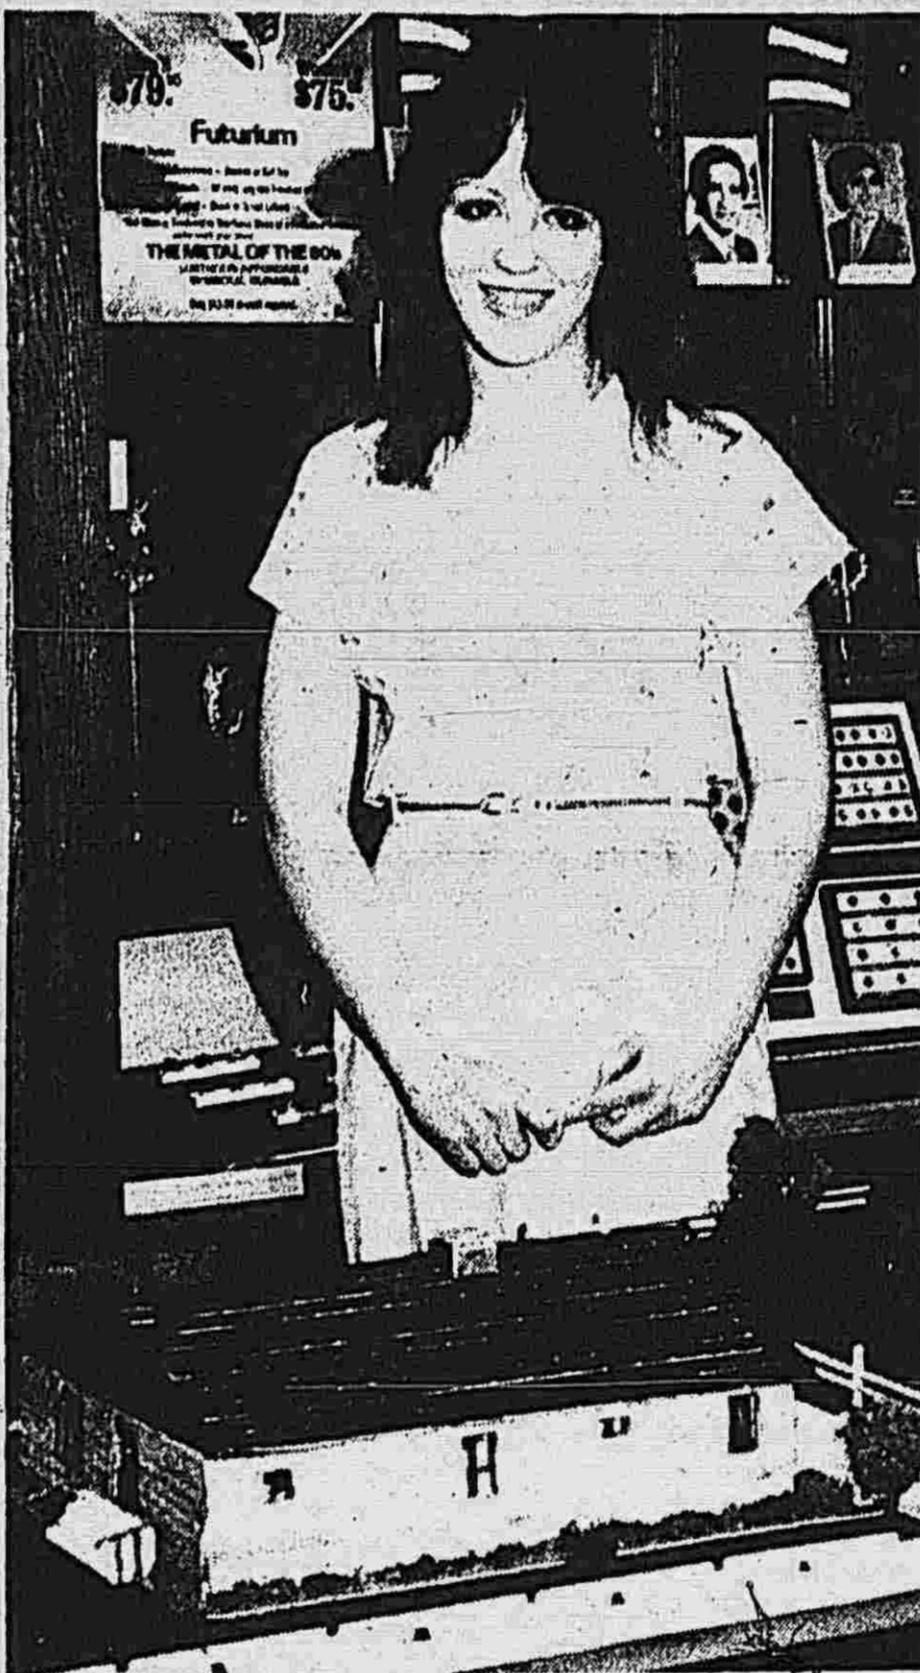

Every year for the past 10 at about this time, Antioch High School's architectural drafting class displays the fruits of much hard work and intricate planning. Small scale houses are constructed by members of the class after they have drawn over 20 blueprints of the model they wish to construct.

The class is an elective at ACHS, and students must have one year of mechanical drawing. Taught by Roland Schleusener, there are 35 class members in two classes, that spend the first semester drawing floor plans. Second semester is used to finish plans, and students get three weeks to work on their projects. One student pointed out that any extra time needed must be time outside class.

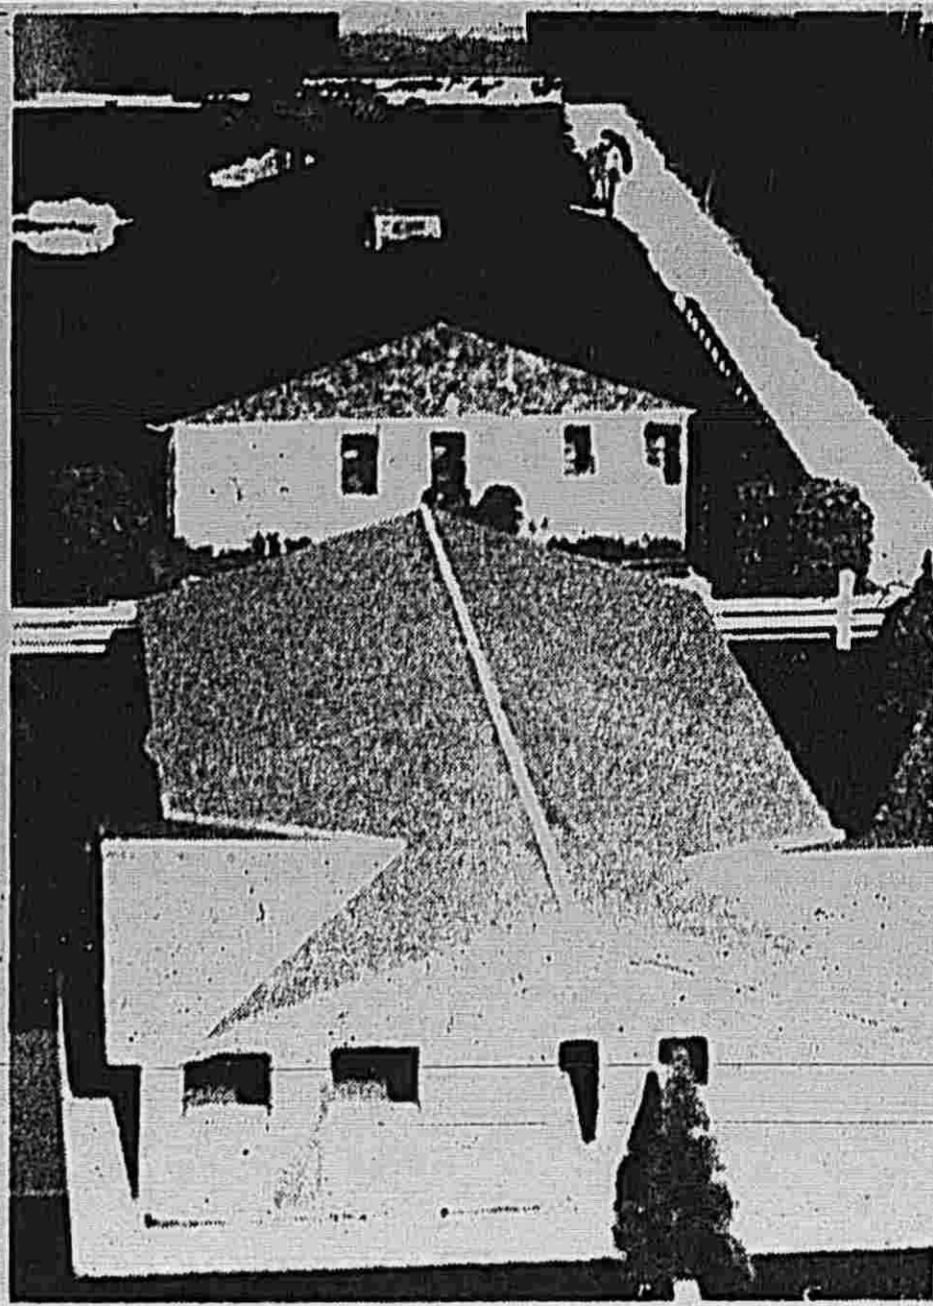

OTHER STUDENTS pointed out that only the serious need take the class. "It's tough. You have to be pretty serious to take the class," senior Marge Noonan said. "The ones that aren't, end up dropping out quick," she added.

Some of the house designs are quite unique. There is a round transparent model, ranch styles and also an underground house. Bob Schneider, who constructed the underground said that the landscaping was the hardest. "There is more landscaping in a house of this sort, and the plans are just as complicated," he said.

The houses the students constructed are all on display at the Antioch High School lobby and will be judged by an architect. The best three will be chosen.

BUILDER — Kari Hoffmann, senior at Antioch High School, stands next to house she constructed in architectural drafting class at ACHS. Best three models will be chosen by local construction company. Houses are on display in high school lobby.

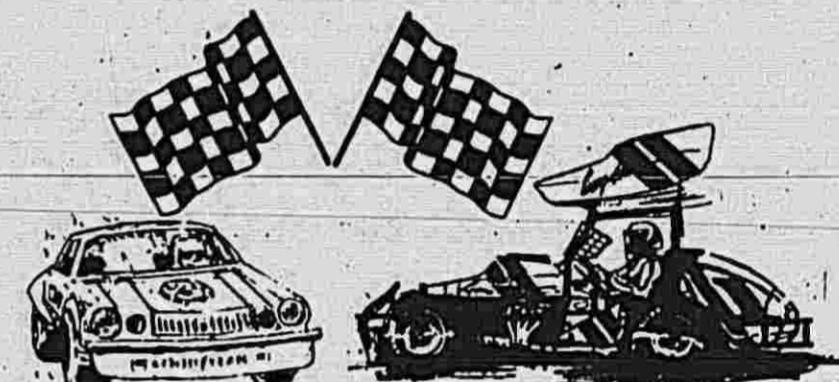

STREET WHERE YOU LIVE? Members of Antioch High School architectural drafting class put on display houses constructed on small scale from plans they designed as part of course.

ROBERT J. PAULETTI, D.D.S.

IF YOU CHIP A TOOTH

Billy was playing sandlot baseball. He was catcher - a brave one - without a mask. As fate would have it, the batter swung at a pitch and the backswing hit Billy in the mouth and chipped off two of his front teeth. This is a typical dental emergency which requires immediate dental care.

When injury exposes the tooth pulp, it can be serious since the potential for infection is high. The pulp is the innermost chamber of the tooth and contains nerves and blood vessels.

Temporary treatment of injured tooth pulp includes the use of a sedative dressing to cut down sensitivity in the area. If a pulpectomy (removal of the

pulp material) is necessary, it will be followed by a root canal therapy, and the use of a crown or a cap if the tooth can be preserved.

Until you can get to a dentist following an injury, keep the mouth as clean as possible by rinsing it with a solution of salt water. If there are loose teeth, no food should be chewed until the teeth are stabilized in the jaw.

Sequoits post two wins; start second matchups

Antioch High School's varsity baseball team finally put some marks in the win column this week as they defeated two league teams, scoring 11 runs and holding the opponents to only 2.

On April 30, the Sequoits defeated Stevenson 5-0 at Stevenson, with Antioch's Tim Koesser pitching the seven hitter. Koesser also batted in two runs in the top of the sixth to get the only score the Sequoits really needed. "The hits the Patriots got were all singles," head coach Tom Baba said of Koesser's performance.

Koesser's hit came with Mark Pomazak and Dave Unrein on base in the sixth. The Sequoits went on to score the rest of the runs in the top of the seventh with a two-run double by Pomazak.

JUNIOR JOHN Jackson walked and was sacrificed to second on a hit by Dave Berchtold at the beginning of the inning. Outfielder Dino Sisto was hit by a pitch and then Tom Bernet singled to drive in Jackson. Pomazak then doubled to drive in Sisto and Bernet.

Koesser posted four strikeouts in the game.

Dave Berchtold started on the mound for the Sequoits in a home game and a loss against Lake Zurich on May 1. He gave up six runs on seven hits in two and two-thirds innings, while relief pitcher Terry Dewar kept a clean slate during the rest of the game.

Lake Zurich posted a triple and pitcher Bob Johnson struck out seven in the 6-1 Bear victory.

The Sequoits held the Warren Blue Devils to only two runs in a 6-2 home victory. Koesser posted another win in the May 5 game, striking out 11, giving up four hits and walking only one.

"KOESSER'S REALLY hot" Grayslake head coach Dave Worklin said of the junior that has won two in a row. Antioch will be facing the Rams in Antioch on May 9 after the Sequoits host Grant on May 7 to begin the second round of the season.

Both games begin at 4:30 p.m.

In the second inning against Warren, the Sequoits' Unrein singled with one out. Fielder Jeff Crichton then hit a grounder to put men on first and second. Koesser

then walked, and third baseman Pete Weber doubled to drive in a run.

The Sequoits' Bernet tripled, then scored on a passed ball in the third inning, and in the fourth the Blue Devils threw the ball away to let the Sequoits score again. "They threw the ball around a little, and we scored three runs on four hits," Baba pointed out.

AFTER ONE OUT, Koesser singled and pinch runner Brian O'Neill stole second. O'Neill then scored on a base hit by Weber, who eventually scored, but not until the Warren team tried for a rundown. In an attempt to get O'Neill, the ball was overthrown and then was again overthrown at third in an attempt to stop Weber.

Jackson then singled, and Berchtold hit a line drive that bounced off the outfielder and rolled into right field. The hit was scored as a triple, and Jackson crossed the plate.

Warren's runs came in the sixth inning on a bases-loaded hit.

Antioch takes a 2-5 league record into the second round of play.

HAND-MADE CRAFTS — Grass Lake School students Lori Perks, Susie Lengvenis, Chris Waters, Andrea Besaw, display handy-crafts that they and other students made during activity period at school. Rice mosaics, quilted pillows, centerpieces, aprons were made by youth during optional classes taught by teachers, volunteer mothers.

Parks list schedule

Continued from Page 1

\$5 fee will be charged.

A gymnastics class will be held for those over 16 from 7-8 p.m., Monday and Friday, July 21 and 25. The class will be held at the Aqua Center, and a \$6 fee.

Two separate tennis sessions will be held, one on Mondays and Wednesdays and one on Tuesdays and Thursdays. The Monday class starts July 7 while the Tuesday session begins July 8. The class run three weeks.

Ladies beginning tennis starts at 9 a.m. and at 10 a.m., seven through 11 year olds can learn. Lessons for 12-15 year olds will be held at 11 a.m., while at noon, a mixed league for youngsters will be held. Ladies tennis league will be held at 1 p.m.

All tennis will be played at Jensen Park.

For further information on any of the programs, and for registration, call Glenda Tomaschik or Dee Lang at the park and rec office at 395-2160.

Glover EIU president

of the institution for the coming year.

Glover, 19 and a sophomore public administration major, was first elected to Eastern's senate in January of 1979.

During the present year, he has served as chairperson of the university relations committee and a member of the council for university planning and budgeting.

In January he attended the American Student Assn. conference held in Washington, D.C.

He is the son of Mr. Clint Glover and Mrs. James Kopriva, both of Antioch.

BOB GLOVER

Thrills, spills at Kenosha

It was a night of thrills and spills at Kenosha County Speedway in Wilmot as three cars rolled over and the super-modified one-lap record was broken for the second consecutive week on May 3.

Jim Moulis, Johnsburg, started the night off by breaking his one-week old mark of :15.62 in qualifying by turning a lap of :15.52.

In the 25-lap main event, it was Dick Colburn, Muskego, winning his second consecutive feature with Moulis

second and Bob Warren third.

COLBURN AND Darrell Dodd won heat races.

The modified feature was full of excitement as Alan Winker flipped his number 10 in turn two on the sixth lap. He was uninjured.

The race was won by Jim Uttech, Kenosha, with Larry Taylor, Fox Lake, second and Ed Maeder third.

Bill Kelly set fast time for the second week in a row, however, a first heat collision with the fourth turn

wall put him out of action for the night. Bob Zdon and Darv Nissen picked up heat wins.

THE LATE MODEL sportsman feature was won by Mike Klemko, Paddock Lake, with fastest qualifier Hank Hovorka, Silver Lake, second and Waukegan's Wayne Welch third.

The sportsman semi-feature ended in a flurry as Mike Mazmanian rolled his mount over in turn one as the checkered flag was falling for Mike Frost. Mazmanian was uninjured.

Frost, Dave Zilmer and Klemko won heats.

The spectator feature was called to a halt at the half-way point when Ron Mason flipped his car in turn one. The Great Lakes driver was not seriously hurt, however, the accident left a lot of fluid and debris in the turn prompting officials to call the race at that point.

His major duties as the student body president will be to make various appointments to university councils, committees and boards, in addition to supervision of the entire student activities programming.

He will also be the chief representative of the student body at official university functions both in and outside

Girls continue winning; seeded sixth in tourney

As the Antioch High School girls varsity softball team begins the second half of the season, they bring their Northwest Suburban Conference record to 5-2 by virtue of both a win and loss over the past week.

The girls hosted the Warren Blue Devils on April 30, and lost to the conference leader, 9-1. "We did hit steadily," commented head coach Steve Scott.

But Warren's pitcher, Kathy Hughes, only gave up six of those steady swings, while striking out four and walking only one.

Antioch was held scoreless until the sixth inning, but losing pitcher, Dawn Johnson, didn't give up any extra-base hits. Warren had nine runs on nine hits, and Johnson gave up 11 walks. "There were five very crucial errors in the game, and that combined with the walks summed up the game," Scott said.

THE SEQUOITS traveled to Grant and played as the home team on May 2, for the second matchup of the season between the two rivals. Antioch brought home a 13-9 victory in the contest that didn't really get started for the Antioch team until the bottom of the fourth inning.

The Bulldogs were able to hit two triples and a double off the Sequoits defense, something that the Antioch girls were avoiding this year. "There has only been one team to hit a triple off us this year," Scott stated. "We haven't been giving up the long ball."

Grant led the game 9-2 at the top of the fourth, but a six-run rally turned the game around for Antioch. An error on the part of Grant's centerfielder, a walk and a key hit by Chris Byrne were all keys to the Antioch victory.

LAURA OGDEN led off the inning with a single and then stole second. Darlene Olsen then singled, and a wild pitch moved Ogden to third. Lorna Whitton walked to load the bases, and Terri Macklin acting as designated hitter, hit a fly to center, that fell out of the centerfielder's glove, to score Ogden.

With runners on second and third, Jenny Behne walked to load them up again, while Patti Hinz hit to score another run.

The big runs then came when Chris Byrne singled to left scoring two, and Shelley Wix hit to center but got caught running between first and second. Tracey Manuel

struck out to end the inning at 9-8.

"Errors cost the Grant team the game. We scored at least four runs on their mistakes," Scott commented. "But we again hit solidly," he added.

THE BOTTOM OF the sixth found the Sequoits going ahead to stay as Ogden again opened the inning with a hit. Olsen walked and Whitton hit a hard single to first, which was caught. Macklin singled and Hinz doubled to right center knocking in Ogden. A sacrifice by Byrne hit Olsen in, and a left field homer by Wix wrapped up the Sequoits rally.

Grant was held scoreless in the top of the seventh with only one single as the Sequoits struck out three.

"Antioch and Grant have split their season twice," Scott noted of the loss to the Bulldogs earlier in the season.

The Sequoits will host the Grayslake Rams for a doubleheader beginning at 4 p.m., May 7, at the Antioch Upper Grade School. The girls will travel to Round Lake on the 9th.

The Sequoits, overall 8-7, are seeded sixth in the North Chicago Regional which will start tournament play at the end of May.

Antioch trackmen take lead

Antioch High School's boys track team remained undefeated in conference dual meets with a 82-64 win over the pre-season favorite and defending champs Stevenson Patriots, April 30. Dual meet wins count points toward the conference title.

Coach Norm Hahn expressed great praise for his team as 31 athletes performed their best of the season. "We needed a good performance from everyone and we got it," he stated. "I'm really pleased with the great effort the entire team put out."

Antioch won all four relays, running their best times in each. Other event winners were Robert Otten

in the two mile, Mike Pramshafner in the long jump and triple jump, Mike Tomany in the pole vault, Dale Plechaty in the high jump and Greg Stevens in the discus.

Antioch's frosh-soph team also won to remain undefeated. The score was 99-47.

On May 2, Antioch hosted the Harland Sophomore Invitational and finished second in the eight-team field. Lake Forest won the meet but second was Antioch's highest finish.

Dale Plechaty was the Sequoits' only winner, with a six foot high jump. Seconds were garnered by Alan Ware

in an excellent 2:06.5 half mile, Craig Sheedlo in the 440, Erik Sorensen in the long jump and the mile relay team of Sheedlo, Craig White, Joe Apostol and Hank Woolard. Antioch also had three thirds, three fourths, four fifths and two sixths.

On May 4, Antioch took four places at the county meet. Mike Pramshafner took a fourth in the triple jump and sixth in the long jump, Robert Otten was fourth in the 3200 meter run and Dale Plechaty finished fourth in the high jump.

May 10, Antioch will go to Stevenson for Northwest Suburban conference meet which begins at 10 a.m.

CHINESE STAND — Tight grip, good muscles are required to succeed at back to back "Chinese stand" warm-up exercise. Coed tumbling class taught by Dawn Karis meets after school at Grass Lake School.

An old saying classifies Italian as the language of song, French as the language of love, and English as the language of business.

Second annual race slated in Antioch

The Antioch Parks and Recreation Dept. is gearing for the 1980 roadrace to be held June 1. The 10,000 meter event (6.2 miles) will be run inside the village of Antioch on a well-marked course with refreshments at both the start and finish lines. Water will be stationed throughout the course, and paramedics will be on hand during the race.

The popular run is open to both men and women, and there are five age groups to enter,

which include 14-18, 19-25, 26-30, 31-35 and 36 and over. A 5,000 meter event (3.1 miles) will also be held with entries in the same age groups.

There is an entry fee of \$7, and the starting time is 9 a.m. Check-in time is scheduled for between 7 and 8:30 a.m.

Each runner will receive a t-shirt for entering into the race, and applications are available at Antioch Village Hall.

Sportsmen prepare for spraying

The Center Lake Conservation and Sportsmen's Club will again tackle the weed problem in Center Lake.

This year, as in years past, the club's representatives will contact the people in the community for contributions

to help defray the cost of the project. Contributions can be made by mailing to the club, Box 115 Camp Lake, Wis. 53109 or calling 889-4046.

President Frank Hlubucek said that the cost of weed spraying has more than doubled in the last few years,

and if the club cannot raise enough money to help cover the cost, the weed spraying will have to be discontinued.

Hlubucek noted that the club was able to get 500,000 northern pike put into Center Lake from the Department of Natural Resources.

—LEGAL—**ORDINANCE 80-4-4**

AN ORDINANCE establishing charges and rates for the use and service of the combined waterworks and sewerage system of the Village of Antioch, Lake County, Illinois. WHEREAS the Village of Antioch, Lake County, Illinois, has heretofore, by ordinance duly adopted, provided for the combining of its existing waterworks system and the existing sanitary system of said Village and the operation thereof in combination as a single combined system and has further provided for the construction of improvements and extensions to such combined waterworks and sewerage system of said Village and the issuance of waterworks and sewerage revenue bonds to defray the cost of constructing such improvements and extensions, pursuant to and in compliance with the provisions of Division 139 of Article 11 of the Illinois Municipal Code, approved May 29, 1961, and all laws amendatory thereof and supplementary thereto; and WHEREAS pursuant to the terms of the Illinois Municipal Code, above referred to, and the ordinances heretofore adopted and now effective authorizing the construction of such improvements and extensions and the issuance of said bonds, it is necessary that the Village charge the inhabitants thereof for the use thereof and the services supplied by said combined waterworks and sewerage system, to establish rates therefor, and to provide for the collection thereof:

NOW, THEREFORE, Be It Ordained By The President and Board of Trustees of the Village of Antioch, Lake County, Illinois, as follows:

Section 1. That there shall be and there are hereby established rates or charges for the use of and for the service supplied by the combined waterworks and sewerage system of the Village of Antioch, Lake County, Illinois, based upon the amount of water consumed, as shown by the water meters and/or sewage meters as follows:

WITHIN THE CORPORATE LIMITS**1. WATER SERVICE CHARGE BIMONTHLY:**

For each residential, commercial, industrial and municipal user of the water service of the combined waterworks and sewerage system there shall be a bimonthly charge or rate based upon the amount of water consumed each bimonthly period as follows:

For the first 4,000 gallons — \$6.00 (minimum charge)
For the next 196,000 gallons — \$0.70 per thousand gals.

All over 200,000 gallons — .60 per thousand gallons
The minimum bimonthly charge for water service shall be \$6.00 per user.

2. SEWER SERVICE CHARGE BIMONTHLY:

For each residential, commercial, industrial and municipal user of the sewer service of the combined waterworks and sewerage system there shall be a bimonthly charge or rate based upon the amount of water consumed each bimonthly period as follows:

a) **Debt Service Charge:** There is hereby established a revenue bond debt service charge in the amount of \$4.00 bimonthly for each user served by the sanitary sewer system of the Village. The funds provided by said debt service charge shall be allocated for the purpose of paying a part of annual debt service of revenue bonds of the Village issued for sewer construction purposes.

b) **Basic User Charge:** There is hereby established a basic user charge in the amount of \$4.00 bimonthly for each user served by the sanitary sewerage system of the Village through a single meter. There shall be a basic user charge in the amount of \$2.00 bimonthly for each multiple unit served through a single meter. The funds provided by the basic user charge shall be used to pay fixed expenses incurred in connection with the operation, maintenance and replacement of the system.

A multiple use account is defined as any additional number of residential or commercial units located on the same premises, or being served through a single water meter such as apartment buildings, trailer courts, or commercial and residential units located within the same building. The payment of the minimum charge for each unit served shall allow the use of 4,000 gallons bimonthly for each minimum bill. All usage over the minimum allowance per unit shall be billed at the rate of \$.65 cents per thousand gallons.

c) **Basic User Rate:** All sewer usage, after the use of 4,000 gallons bimonthly as determined by water meter readings or sewage flow meters, shall be billed at the basic user rate of \$.65 cents per thousand gallons each bimonthly period.

The total of the debt service charge and the basic user charge shall constitute the total minimum sewer service charge payable bimonthly which shall be paid by each user of the sewer service and said minimum service charge shall allow the use of 4,000 gallons bimonthly.

OUTSIDE THE CORPORATE LIMITS

Each user of the combined system of the Village located outside the corporate limits shall have 100% added to the bill rendered for the type of service as set out above.

Section 2. That for the purpose of the operation of the combined waterworks and sewerage system, the calendar year shall be divided into six bimonthly periods each containing two calendar months and said bimonthly periods shall begin on the first day of May, July, September, November, January and March in each year. The owner of the premises, the occupant thereof and the user of the service shall be jointly and severally liable to pay for the service on such premises and the service is furnished to the premises by the Village of Antioch only upon the condition that the owner of the premises, occupant and user of the service are jointly and severally liable therefor to the Village of Antioch. All bills for service shall be rendered bimonthly as of the first day of the

month succeeding the period for which the service is billed, and shall be payable not later than the close of business on the 20th day of the same month. If payment is made after said 20 day period, then a penalty of ten percent (10%) of the amount of the bill shall be added thereto.

Section 3. In the event the charges for service are not paid within sixty (60) days after rendition of the bill for such service, such charges shall be deemed and are hereby declared to be delinquent, and thereafter such delinquencies shall constitute liens upon the real estate for which such service is supplied, and the Village Clerk is hereby authorized and directed to file sworn statements showing such delinquencies in the office of the Recorder of Deeds of Lake County, Illinois, and the filing of such statements shall be deemed notice for the payment of such charges for such service.

Section 4. If the rates or charges for such service are not paid within sixty (60) days after the rendition of the bill for such service, such service shall thereafter be discontinued without further notice and shall not be reinstated until all past due bills including the penalties thereon are paid in full together with payment made of \$15.00 for reinstating such service.

Section 5. Any user desiring for his convenience a shutting off of the water supply shall make application therefor to the Village Collector and a charge of \$15.00 shall be made for each act of shutting off or turning on of the water at the request of any such user. Such shutting off of the water will not avoid the imposition of and the liability for the payment of the minimum charges elsewhere provided for in this ordinance.

Section 6. It is hereby made the duty of the Village Clerk of the Village of Antioch to render bills for service and for all rates and charges in connection therewith and to collect all moneys due thereon.

Section 7. That all revenues and moneys derived from the operation of the combined waterworks and sewerage system shall be held by the Village Clerk separate and apart from her private funds and separate and apart from all other funds of the Village, and all of said sum, without any deductions whatever, shall be delivered to the Village Treasurer not more than ten (10) days after receipt of the same, or at such more frequent intervals as may from time to time be directed by the President and Board of Trustees.

Section 8. The Village Treasurer shall receive all such revenues from the combined waterworks and sewerage system and all other funds and moneys incident to the operation of such system as the same may be delivered to her and deposit the same in a separate fund designated as the "Waterworks and Sewerage Fund of the Village of Antioch", and said Treasurer shall administer such fund in every respect in the manner provided by the applicable provisions of Division 139 of Article 11 of the Illinois Municipal Code, approved May 29, 1961, and all laws amendatory thereof and supplementary thereto and as provided in the ordinances heretofore adopted authorizing the issuance of Waterworks and Sewerage Revenue Bonds of said Village.

Section 9. That no free service of any of the services supplied by the combined waterworks and sewerage system shall be supplied by the Village to the Village or to any other person, firm, organization or corporation, public or private.

Section 10. That a copy of this ordinance, properly certified by the Village Clerk, shall be recorded in the office of the Recorder of Deeds of Lake County and shall be deemed notice to all owners of real estate of their liability for service supplied to any user of the service of the combined waterworks and sewerage system of said Village on their properties.

Section 11. All ordinances and parts of ordinances in conflict herewith to the extent of such conflict are hereby repealed. If any section, paragraph, clause or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Section 12. This Ordinance shall be in full force and effect upon its passage and publication as provided by law and the rates and charges for service supplied by the combined waterworks and sewerage system shall be effective on bills to be rendered for the next succeeding bimonthly period.

PASSED THIS 21st day of April, 1980.

Illinois Bell will be handling thousands

Thousands of moms will spend Mother's Day, May 11, helping complete telephone calls from children and other relatives to millions of mothers all over the world.

Illinois Bell and American Telephone & Telegraph's Long Lines Department will count scores of mothers among the extra employees scheduled for duty Sunday to assist with the heavy calling.

Some of the working moms will spend Mother's Day helping callers place person-to-person, collect, credit card and other operator-assisted calls.

Other mothers will be busy in directory assistance offices, looking up numbers callers don't have.

Some will help staff the telephone network operations center in Chicago, helping guide the enormous flow of calls throughout the country and overseas. They will use computerized equipment to route calls over alternate circuits to avoid traffic jams.

AT&T Long Lines said it expects Americans will average more than 25,000 long distance calls a minute Sunday. In all, the company anticipates about 37 million calls, compared to 33.6 million on Mother's Day last year. On a normal Sunday, the nation's telephone network handles approximately 25 million long distance calls.

This year's total includes an estimated 310,000 calls to overseas locations, 30 percent more than last year's total of 239,000.

Area counties plan for 'appropriate'

Health Systems Agencies (HSA) across the nation will soon begin to examine the appropriateness of services currently being offered by hospitals, nursing homes, and other institutional health services. The HSA findings will be made known to the general public. The concept of "appropriateness" review was developed in the National Health Planning and Resources Development Act of 1974; the same law which created HSA.

The purpose of appropriateness review is to assess whether existing institutional health services are needed by the people who use the services; are reasonably accessible (both geographically and at a reasonable cost); and provide for continuity and quality of care.

The HSA for Kane, Lake and McHenry Counties (HSA/KLM) is proposing procedures for performing appropriateness review and criteria for the first services to be reviewed. The first services to be reviewed are cardiac catheterization, cardiovascular surgery, therapeutic radiology, end stage renal disease and transmission computerized tomographic scanning.

HSA/KLM's proposed procedures and criteria are available for public inspection at the County Clerks' office in all of the counties and at the HSA office in Cary. HSA/KLM will conduct a public hearing for

heaviest calling will take place following morning church services and again after 6 p.m. Calling volumes are somewhat less in the afternoon.

Lillian Lynch, Illinois Bell's general manager for operator services, said 1,077 operators — many of them mothers — will be busy assisting callers with an estimated 523,000 calls on Sunday.

Since most people will be talking longer than usual, some calls may not go through on the first attempt. If that happens, Illinois Bell advises waiting a few minutes before trying again. It's a good idea to call in mid-afternoon when the volume of calls is lighter.

Callers who want to save time and money should dial their own calls and place them during one of the less busy periods: all day Saturday, early Sunday morning or Sunday afternoon before 5 p.m.

Customers who dial their own interstate calls any time Saturday or before 5 p.m. Sunday will take advantage of night and weekend rates that are 60 percent lower than daytime rates. Interstate evening rates, 35 percent lower than day rates, apply from 5 p.m. to 11 p.m. Sunday. Rates for long distance calls within Illinois are also lower during these periods.

Illinois callers can dial a belated Mother's Day call to the East Coast before 8 a.m. Monday and reach mom before 9 a.m. Eastern time.

TEACHERS JOIN — From left Mary Durr, Mildred LaPlante and Lena Message join in dedication ceremonies at the new W.C. Petty Grade School held May 4. Both Mrs. Durr and LaPlante worked in education under Petty.

One way to force motorists to drive less would be to sell cars with square tires.

Tryouts slated

Antioch High School is holding cheerleading tryouts for sophomore and varsity football cheerleaders from May 9 through May 19.

The schedule is as follows: on Friday, May 9, there will be an important meeting and practice; May 12 and 13, will be practice days; Wednesday, May 14, is tryouts for varsity; and on Thursday, May 15, will be sophomore tryouts.

First meeting and practice will be in the south gym. Practice will begin promptly at 3:15 p.m. and will end at 4 p.m.
